

SIL-ALL HAY +

PROTECT YOUR INVESTMENT

With **Sil-All Hay +**,
you always win

Sil-All Hay+, the new hay preservative solution from Sil-All, reduces yeast and mould development within your bale. Don't let the weather define your hay quality. Keep control with **Sil-All Hay+** and minimize nutritional losses and spoilage.

Sil-All Hay+ - bale quicker, protect more nutrients –
know your quality while still in the field.
